**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't deregulate broadband access! We need more completion in telecom services, not less. Loss of availability and increased prices will hurt consumers and small businesses. The current regulatory environment has made it possible for us to upgrade from a DSL connection to fiber optic, and we don't want to have to go back.
